# 100 YEARS ON

AN ART TRAIL BY WOMEN IN PRISON

100 YEARS ON is an art trail of 100 framed paintings, drawings and poems entered into the Koestler Awards by women in prisons throughout the UK. The trail commemorates the centenary of the Representation of the People Act 1918 which gave some women the power to vote. Many women were imprisoned in their campaign for suffrage. This trail shines a light on the challenges faced by women in prison 100 years on.
